**HEART JAR**  
.....

Today is our little reminder to cherish the ones we love in our lives, friends, family, work colleagues, boyfriends, girlfriends, husbands or wives. Take a moment to let them know that you value them & you are grateful for everything they bring to your life. You don't need to spend a heap of money to get your message across and we are here to help.

To add to your dinner decor, recycle any glass jar you may have by wrapping it up in some lace and add our heart tag with some twine/string or ribbon. Fill your jar with flowers, chocolates or a candle.
